3rd on Board Standings

The screen will change each time you Left click
So wait for it to change before looking for next click

Information Bar [X]

Did you notice the Information Bar?

The Information Bar alerts you when Internet Explorer blocks a pop-up window or file download that might not be safe. If a Web page does not display properly, look for the Information Bar (near the top of your browser).

Do not show this message again.

[Learn about the Information Bar...](#) [OK]

This may or may not show up if it does, just click on OK
